Subject Code	MAN504
Subject Name	Financial Knowledge and Decision Making
Credit points	6
AQF Level	5 (Year 1)
Delivery mode	On campus
Prerequisites	None

Subject Overview	This subject is a powerful gateway for students to master the essentials of finance and no complex maths needed! It equips students with essential financial knowledge and skills. By focusing on practical application, it demystifies key financial concepts such as budgeting and empowers students to make informed decisions based on financial data in a world where financial literacy is crucial. Students will also learn how to interpret financial data from various types of financial statements and communicate findings effectively to key stakeholders.

Learning Outcomes	Apply basic accounting concepts, terms and principles
	Analyse fundamental financial statements
	Communicate financial data to inform decision making
	Evaluate financial data including performance against budget

Assessments	**Indicative assessments**	**Weighting**
	Online quiz	15%
	Test	20%
	Group presentation and individual reflective report	25%
	Examination	40%

Graduate Attributes addressed in this subject	Preparedness
	Systematic and coherent body of knowledge
	Cognitive skills to analyse, critique, and consolidate knowledge
	Teamwork skills
	Communication skills
