Subject Code	MAN709
Subject Name	Critical Challenges Hub
Credit points	12
AQF Level	7 (Year 3)
Delivery mode	On campus
Prerequisites	All first and second year subjects

Subject Overview	The Critical Challenges Hub (CCH) is an integrated subject for final year students specialising in Tourism, Hospitality, or Foods. The subject is an immersive experience where students work independently and collaboratively to tackle real-world challenges within a team-oriented, cross-disciplinary framework. As a culmination of the previous learning, students collaborate, plan, design and produce solutions for projects in partnership with community and industry. The CCH enables development of key graduate attributes, including critical thinking, effective communication, and professional networking, thereby empowering students for professional and personal achievement.

Learning Outcomes	Analyse complex industry challenges to propose innovative solutions.
	Design solutions to identified industry challenges.
	Communicate solutions to stakeholders.
	Critically reflect on self and others
	Perform constructively within a team setting
