

Faculty of Higher Education

Subject Code	EVE602
Subject Name	Catering for the Event Industry
Credit points	6
Study Level	Year 2
Delivery mode	On campus
Location	Melbourne
Prerequisites	None

Subject Coordinator
Ajay Khatter
AjayK@angliss.edu.au

Subject Overview	Catering for the event industry is designed to provide students with exposure to the underpinning knowledge required to make effective catering decisions. Rather than instructing students in catering practices it challenges students to question the source and selection of catering options within the design framework of the event. Financial skills developed in MAN502 Financial concepts are extended with the introduction of break even and yield calculations.
-------------------------	--

Learning Outcomes	Analyse the event context to determine appropriate catering solutions.
	Construct effective financial controls relevant to catering within the event industry.
	Evaluate supply chain alternatives with a focus on sustainability and innovation.
	Identify the characteristics of balanced menu design.

Assessments	Details	Weighting
	Industry Research Report	20%
	Financial budget	30%
	Catering plan	50%

Graduate Attributes addressed in this subject	Preparedness
	Ethical and social understanding
	Systematic and coherent body of knowledge
	Cognitive skills to analyse and critique knowledge
	Communication skills
